

Turn World Cup Passion into Your Team's Driving Force.

www.kiniely.com

The sports prediction platform that unites your workforce, boosts office morale, and takes motivation to the next level.

Soccer as a Corporate Bridge

Football is the universal language that connects, relates, and entertains. In today's global market, sports are synonymous with organizational health and employee well-being.

- ✓ **Integration**
Break the ice between departments and across all hierarchical levels.
- ✓ **Motivation**
Create a shared purpose that goes beyond quarterly sales targets.
- ✓ **Work Environment**
Transform daily stress into healthy, fun competition.
- ✓ **Numbers that Move the Needle**
The World Cup will impact the global economy; make sure it leaves a positive impact on your internal culture.

Kiniely Teams

An intuitive interface where everyone from the CEO to the intern can participate without any technical barriers.

Privates Groups
